<b>Rules:</b>	<b>Terms and Conditions:</b> The Rules and Terms and Conditions below may not all apply. The Terms and Conditions to each Rule shall only be applicable based on the actual type of Enterprise Software and/or support services purchased.
<b>(1) Mandatory Bundles:</b>	Each Enterprise Software Perpetual License or Upgrade (Commercial or EDU) part number must be purchased with the equivalent SUMS Support (3 years, 4 years or 5 years) part number in equal quantities and the SUMS part number may only be sold with a corresponding Software Perpetual License part number. For Upgrades, the SUMS must be equivalent to the upgraded Perpetual edition.
<b>(2) EDU Program:</b>	Only orderable under NVIDIA Education Pricing Program including specific eligibility requirements and legal terms and conditions.
<b>(3) Mandatory Volume Bundles</b>	Each Enterprise Software volume Perpetual License part number must be purchased with the equivalent 3 year SUMS Support (volume) part number in equal quantities and the SUMS part number may only be sold with a corresponding Software volume Perpetual License part number.
<b>(4) Renewals:</b>	For customers who want to renew their SUMS and Subscriptions, the first block of products to expire must be renewed with at least a 1-year term; the remaining entitlements are then eligible for co-termining using monthly SKUs. Upgrades can only be done at time of renewal.
<b>Definitions</b>	
<b>EDU:</b>	NVIDIA Education Pricing Program specific part number.
<b>SUMS/Services:</b>	Technical Support, Updates, Upgrades and Maintenance, on a when-and-if generally made available basis, as defined under the EULA; except for CUDA. CUDA services are Technical Support and Maintenance, on a when-and-if generally made available basis, as defined under the EULA or service agreement.
<b>Subscription:</b>	License with a fixed duration and inclusive of SUMS for the duration of the license.
